This form is to be used to apply for a special interest vehicle permit for a specified class MA vehicle.

**Important:** A maximum of 200 special interest vehicles will be granted in any one year.  
A special interest vehicle must be border inspected and/or certified for entry into service in New Zealand no later than six months after the date of issue of a special interest vehicle permit.

**Before you apply for a permit, you should consider the following factors:**

- The matters to be considered before a permit can be granted are set out in law. This means permits are not automatically granted.
- The law does not provide for a permit to be granted on the basis of inconvenience or hardship.
- The fee is non-refundable – regardless of whether your application is granted or declined. The fee covers the cost of processing your application.
- The NZ Transport Agency is not obliged to grant a permit if it is not considered appropriate to do so.
- The Transport Agency may impose conditions to any permits issued.

**Privacy**

Collection of this information is required by Schedule 2 of *Land Transport Rule: Frontal Impact 2001*. All information contained in your application will be held by the NZ Transport Agency and treated as confidential subject to the Official Information Act 1982 and the Privacy Act 1993.

Under the Privacy Act 1993, you have the right to request access to and correction of any personal information you supply as a part of this application process from the Transport Agency. **Fees**

The indicative fee for processing an *Application for special interest vehicle permit* is \$184. This is based on the hourly rate for processing exemptions of \$184 per hour (including GST) and has to be paid before the Transport Agency starts work on the application.

There are a variety of circumstances that will affect the final fee charged by the Transport Agency. Circumstances include the complexity of the issue, uniqueness of the application or whether the investigations or analysis involved with the application has already been largely completed as part of a previous application.

The Transport Agency will advise the applicant if the fee for processing the application is going to be more than the indicative fee.

**Payment**

Enclose the application fee with the application. Please make cheque to NZ Transport Agency and note on back the following information:

1. The last six digits of the vehicle's VIN
2. SIVVP
- 3: Applicant surname
