

Office use only
Reference number:

This form can only be submitted by a NZ Transport Agency entry certification agent. It is used for: *(tick applicable)*

- approval to affix or re-affix a VIN to a currently New Zealand registered vehicle that has been correctly identified or
- approval to affix a VIN to a vehicle which has had the VIN tampered with as a stolen and recovered vehicle and has been correctly identified along with a Police report naming the vehicle attached.

All other situations please use CA03 Alternative documents form.

Mail to: Exemption Assessments, NZ Transport Agency, Private Bag 11777, Palmerston North 4442

Fax to: 06 953 6267

Email to: assessments@nzta.govt.nz

Ensure all details are completed accurately.

Numbers all match?

Yes No

If no, comments:

Parts marking and stickers are consistent with vehicle's origin:

Attached is information on where the ID should be located

Vehicle repairs found as follows:

Modifications from original:

Proof of previous registration

(tick applicable)

- Vintage Car Club documents
- Any anecdotal history, statutory declarations, etc
- Manufacturer's and/or importer's information
- Reasons the documentation and/or information is not available

Reason for request

(must be completed)

Notes

- Note 1** For all stolen and recovered vehicles, a police report detailing vehicle condition at recovery must be included.
- Note 2** Unless the application is completed in full and all required documents are attached, the application will not proceed.
- Note 3** Approval is not required to re-etch the VIN on to a rear windscreen when the original rear windscreen has been replaced.
