

NZ Transport Agency specifications for the Border Inspection checklist

Overview

The NZTA preference is to have one standard checklist that is used by all Border Inspection service providers.

General requirements applicable to all checklists

- The checklist must contain an 'Appointed by NZ Transport Agency' logo. Please refer to the latest version of the NZ Transport Agency Visual identity guidelines via this link for requirements for the use of the logo: <http://www.nzta.govt.nz/resources/visual-identity/>.
- The checklist must contain the version number and/or version date of the checklist (eg 5/09, indicating that the checklist was last approved/changed in May 2009).
- The checklist must include the following information:
 - The words: 'Complaints regarding border inspection issues should be first directed to the border inspection organisation'. Additional words may be added to the checklist to meet the requirements for complaint statements contained in the Introduction section of the VIRM.
 - The words 'NZ Transport Agency reserves the right to recheck any vehicle following an inspection.'

Items to be on the checklist

- The checklist shall contain all the items to be recorded and checked by the vehicle inspector during a border inspection.
- Any additional items included must be relevant to the inspection requirements in the VIRM.
