

DATA TECHNICAL STANDARDS

TECHNICAL STANDARDS

OPERATING SYSTEMS

In order to connect to Waka Kotahi NZ Transport Agency computer systems, heavy entry certification inspecting organisations must use one of these approved operating systems:

- Windows 8.1
- Windows 10.

SUPPORTED INTERNET BROWSERS

- Internet Explorer 12
- Edge v44.177.63.x or greater (requires Windows 10 or greater)
- Chrome v72.03626.x or greater
- Firefox 60.5.2 or greater.

NOTE

Notwithstanding the above authorised operating systems and software, heavy entry certification inspecting organisations shall not use any operating system or browser that is no longer supported by its manufacturer.

SECURITY

Entry certification sites are required to be on a secure network.
