Quality management system (QMS)

IOs must maintain and adhere to a QMS that meets NZTA requirements.

You must have complete QMS records in place (for example staff, equipment calibration, conflict of interest, and delegation records).

This site has a current QMS that is up to date.

Conflicts of interest

Make sure you read our guide on conflict of interest (including financial interest).

[Conflicts of interest guidelines for vehicle inspectors, inspecting organisations and specialist certifiers](#)

If your application moves on to a site assessment, you'll be required to demonstrate your understanding of conflict of interest and how you'll remove or manage any risks.

Tick all the options that apply in this section.

I have read and understand NZTA's conflict of interest policy.

I am not included in any activities that would constitute a conflict of interest that NZTA is not aware of.

Conflict of interest activities would include the following:

- Importing vehicles
- Exporting vehicles
- Selling vehicles
- Selling vehicle parts
- Hiring out/leasing vehicles
- Repairing vehicles
- Inspecting your workshop vehicles
- Inspecting personal/family/friends' vehicles

If you have a new conflict of interest to declare, please describe below.
