

Brake supplier declaration: Suppliers who have returned a statement of assurance form to the NZ Transport Agency

[business name] has supplied the brake friction materials in the invoice specified below for use in the vehicle make and model specified. It confirms that, where properly fitted to the specified vehicle, these materials will not compromise the 'safe tolerance' of that vehicle as defined in the Land Transport Rule: Vehicle Repair: 1998.

Vehicle make

Vehicle model

Part number

Invoice number

Signature

Date

This declaration will be considered valid until further notice.

This declaration is not acceptable unless the vehicle make and model are noted in the declaration, and/or clearly defined on the invoice.
