3-11 Rechecks

If a vehicle fails a WoF inspection, there is no fee for any subsequent inspection as long as it is done:

- within 28 days of the first inspection where the vehicle failed, and
- at the same inspecting organisation (does not have to be the same site if the inspecting organisation operates at more than one site).

Notes

- In the case of split testing for heavy vehicle brakes at CoF, the 28 days start from the completion of the second phase of the split test.
- If a vehicle has passed a performance test but has been failed for condition and has then been repaired, the performance should be re-tested as part of the recheck (for example brakes where the pads have been replaced).
- A fee may be charged for CoF re-inspections.

A fee is payable, and a new WoF or CoF inspection is required if the vehicle is presented after the 28 days have passed.
