

2 December (WoF and CoF)

## VIRM: In-service certification amendment - effective 2 December 2021

Section	Change description
<b>General vehicles</b>	
<a href="#"><u>7-7 Interior impact</u></a>	Update to cargo barrier thresholds and addition of two new images.
<b>Technical bulletins</b>	
<a href="#"><u>COVID-19 recovery</u></a>	With the introduction of the traffic light system (COVID-19 Protection Framework) the 'stop clock' process whereby the recheck period was extended for vehicles affected by level 3 or 4 restrictions is being phased out. Any remaining vehicles that have had the clock stopped under this process will have it restarted from Friday 3 December.
