

**29 April 2020 (WoF only)**

## **VIRM: In-service certification (WoF only) amendment**

### **– effective 29 April 2020**

Note: These changes, with the exception of the isolation shield amendments, were originally due to be implemented on 1 April, but were delayed due to the COVID-19 restrictions. They are being implemented now due to the easing of restrictions.

#### **List of changes**

To view the current version of the page click on the link in the section column.

To view the changes in one document download the [list of changes and preview pages](#) (Note: also contains CoF changes).
