

## Minor updates to land transport rules coming soon

Earlier this year we consulted the public and industry about 41 minor changes to land transport rules to be made through a single rule change process called the Regulatory Systems Rule Amendment (RSRA). The Minister of Transport recently confirmed 36 of the minor updates will proceed and take effect from **3 November 2025**.

[View the list of minor changes grouped by rule](#)

You'll receive all applicable VIRM updates with the changes before 3 November.

If you're interested to learn more about the consultation, including our Summary of Submissions Report where we analyse and respond to feedback, visit our website.
