

Inspection news 19 out now

The latest issue of *Inspection news* is now available to download.

In this issue we discuss:

- new and updated WoF training videos
- changes to WoF and CoF frequency for veteran and vintage vehicles, as well as heavy private motorhomes
- the latest updates to Vehicle Inspection and Certification (VIC)
- the criminal convictions of fraudulent vehicle inspectors
- brake test calibrations
- the requirements for aftermarket auxiliary bars.

Plus there's the WoF quiz and What the...!
