

Inspection news 18 out now

The latest issue of *Inspection news* is now available to download.

In this issue we discuss:

- sentencings for unauthorised vehicle inspections
- VIRMs survey coming soon
- rolling out Vehicle Inspection and Certification (VIC) and shutting down WoF Online
- correction to guidance on using assistants during inspections
- reminders and updates about application forms
- safety alert on risk of vehicle separation
- vintage car and motorhome WoF and CoF consultation
- supporting Road Safety Week 2025, and more.

Plus there's the WoF quiz and What the...!
