

Inspection news 17 out now

The latest issue of *Inspection news* is now available to download.

In this issue we discuss:

- the rollout of Vehicle Inspection and Certification (VIC) - the WoF online replacement
- a former vehicle inspector sentenced for fraudulently issuing WoFs
- using the new application forms with the Ministry of Justice criminal record check
- a small change to the QMS *Staff record* and rebranding of all the QMS master records
- exemption checks for Teslas operating as PSVs
- using assistants during vehicle inspections, and more.

Plus there's the WoF quiz and What the...!
