

Inspection news 16 out now

The latest issue of *Inspection news* is now available to download.

In this issue we discuss:

- the upcoming WoF online replacement
- sending us WoF fail photos
- NZTA issuing infringement notices and the sentencing of a former vehicle inspector
- identifying unauthorised re-webbed seatbelts
- Cardan brake shaft stickers and getting free stickers from Bue Star
- the CoF checksheet transition to A4 printers
- the CoF regime for B-pillar cracks extension, and more.

Plus there's the WoF quiz and What the...! as well.
