

# Update to approved operating systems and browsers

As part of your *Notice of appointment* you can only use approved operating systems and web browsers to access Waka Kotahi systems.

From 13 June 2022, this is the approved list of operating systems and browsers for inspecting organisations:

Approved operating systems	Approved browsers
<ul style="list-style-type: none"><li>• Windows 8.1</li><li>• Windows 10</li><li>• Windows 11</li></ul>	<ul style="list-style-type: none"><li>• Edge v96.0.1054.x or greater</li><li>• Chrome v96.0.4664.x or greater</li><li>• Firefox 91.0.x or greater</li></ul>

## Internet Explorer

The Internet Explorer web browser will no longer be supported by Microsoft from 13 June 2022.

If you are still using Internet Explorer, please make sure you have switched to another browser

**before 13 June 2022.**

Internet explorer will no longer be an approved browser from 13 June 2022.
