

VIRM: Entry certification amendment 1 December 2015 now live

The 1 December 2015 VIRM: Entry certification amendment is now live.

This amendment covers:

- General changes and tidy-ups
- Clarifying that PDIs apply to light vehicles only
- Proof of emissions compliance letters issued by VTNZ can be accepted (sample also added for reference)
- Incorporation of Certifier memo *Clarification of Euro 4 Emissions Standards Requirements*.

The changes are summarised in the [List of changes and preview package](#).
