

Inspection news 11 out now

This issue includes:

- an introduction from Nicole Botherway, Senior Manager Safer Vehicles
- our regular WoF quiz and What the! pictures
- a preview of the upgrade to the VIRMs and Vehicle Inspection Portal coming next year
- information about using the Pass Recheck mode in WoF online
- an update on where we're at with a couple of trials being run at the moment
- help for entry certifiers with the Clean Car Standard system
- a number of items for CoF inspectors.
