

Inspection news 22 out now

The latest issue of *Inspection news* is now available to download.

In this issue we have the usual WoF quiz and What The...!, and more.

- Information about changes coming to light vehicle inspections on 1 November.
- New cardan shaft park brake warning label.
- Reminders about application forms and the VI transfer form.
- How to update an inspection check sheet or correct an odometer reading.
- Digital check sheet news.
