## **VIRM: Entry certification (new light vehicles) amendment – effective 10 December 2023**

[10 December 2023 amendment preview](#)

<b>Section</b>	<b>Change description</b>
<a href="#"><u>2-1 Standards compliance</u></a>	The list of approved standards for lighting and signalling components was recently updated in the <i>VIRM: Entry certification</i> . We're now copying the list across to the <i>VIRM: Entry certification (new light vehicles)</i> so the manuals are aligned.
