

Correct as at 27th June 2026. It may be superseded at any time.

Extract taken from: Heavy vehicle specialist certification > Local manufacture and repair code of practice > Documentation

11-5 Documentation

All manufacturing and repair activities must be documented for traceability and accountability. This shall be done as a function of the organisation's QMS.

See [Introduction 3-9 Minimum file content](#) for further information.

Page added **9 December 2019** (see [amendment details](#)).
